

SKILLED TRADES 3M TRANSFORMATIONAL SCHOLARSHIP

2023

In partnership with 3M's Safety & Industrial Business Group, the National Coalition of Certification Centers (NC3) is pleased to announce the Skilled Trades - 3M Transformational Scholarship for passionate and diverse students with a focus in skilled trades.

ABOUT THE SCHOLARSHIP

This scholarship will provide schools the ability to build within the community by focusing on bridging gaps of inequality with the highest standards of skilled trades and education.

3M has partnered with NC3 to allocate a \$1,000 scholarship to fifty (50) talented students participating in National Signing Day.

IN PARTNERSHIP

3M is a proud partner of the National Coalition of Certification Centers (NC3).

SCHOLARSHIP ELIGIBILITY CRITERIA

- ▶ A GPA of 2.75 or higher
- ▶ Enrolled or intending to enroll in a technical education program beginning the Fall of 2023
- ▶ Underrepresented populations including but not limited to Black or LatinX students
- ▶ Participate in a National Coalition of Certification Centers (NC3) National Signing Day

SCHOLARSHIP APPLICATION PROCESS

Each institution will select and submit a minimum of one student candidate that has a desire to pursue a future in technical education to the scholarship committee. The 3M- NC3 Scholarship Committee will select 50 students based on eligibility criteria across the nation to receive the \$1,000 scholarship.

Awardees will be announced on **April 6, 2023** and awarded at National Signing Day.

The submission form is due no later than **Friday, March 17, 2023** at 5pm CST.
